AN ARCHITECTURE STUDENT’S JOURNEY
YOUR ROADMAP FOR MAKING AN IMPACT

1. GET INSPIRED / MAKE A PLAN
   - Make a decision on whether you want to pursue a degree in architecture.
   - Research different colleges and universities that offer architecture programs.
   - Consider your interests and career goals to choose the right program for you.

2. START YOUR RESEARCH
   - Look at the specific requirements for each program, including prerequisites and application deadlines.
   - Prepare a portfolio showcasing your design skills and creativity.
   - Network with current students and alumni to gain insights and advice.

3. CHOOSE A DEGREE PATH
   - Decide on a program duration based on your career goals: 5-year, 4-2-year, or 3-year graduate program.

4. START YOUR CAREER
   - Explore different areas of specialization within architecture such as design, construction, and management.
   - Gain practical experience through internships or part-time jobs.
   - Continuously update your skills and knowledge to stay competitive in the industry.

5. MAKE AN IMPACT
   - Apply your architectural expertise to make a positive impact on society.
   - Advocate for sustainable and innovative solutions to environmental and social challenges.
   - Mentor and inspire the next generation of architects to make a lasting difference.
